Paris, Aug. 26—French and British troops have made great gains along the Somme in the past twenty four hours and now occupy Maurepas, within two miles of Combles, one of the principal points on the Somme and the highway from Albert to Bapaume and considered a very strategic base of the German forces.

The German fifth division of the

Bavarian reserves and the First division of the Prussian Guards under the personal command of Prince Eitel Frederick made great gains yesterday following heavy German counter attacks but were latter repulsed with heavy losses.

Another attempt to recapture Fleury was made last night but proved unsuccessful.

British Officer Says Captured August 2nd

New York, Aug. 26—An officer from the British Marines who arrived in New York yesterday on the steamship Baltic made the statement that the German submarine merchantman Bremen was captured in a steel net on August 2nd. The Bremen was captured in the English Channel and is now on the Thames undamaged. After the vessel was caught in the net she was raised to the surface after being under water for days. She had a crew of thirty four men and it was reported that two of them were beyond recovery when the submarine was raised to the surface and died. The officer stated that the British Government has suppress all news of the capture.

At a final hearing yesterday afternoon before Commissioner W. G. Thomas, the final report and accounts of Mr. H. Campbell were accepted and he was legally discharged as guardian of the heirs of the Sylvester Estate. Mr. Campbell was appointed as guardian in 1904 and the fact that the heirs are of age ends his guardian duties. Mr. Campbell was commented by the Court for the able and efficient way in which he has fulfilled his duties.

As Luke Sees It

This may be Treason. But this was a better country in the old days when our Congressmen and Senators preached Moderation and drank that way in public than it is today when they preach Prohibition and get drunk in private.—Luke McLuke, Cincinnati Enquirer

The government launch Alaska recently left Anchorage with a load of clothing and supplies donated by the citizens of that place to the destitute natives at Point Possession.

A big dance at the Photoshow tonight.

Mr. E. P. Lynch, one of the pioneers of Wrangell and a man who has been closely associated with her ups and downs, last Thursday celebrated his 81st birthday.

Mr. Lynch came to Wrangell in February 1874, along with "Bob" Reade and other well known old timers who have passed beyond, and since that date has made Wrangell his home although making several trips to the interior for short times. Mr. Lynch is a man of remarkable vitality and is hale and hearty where most men of his age have passed away, and to take Mr. Lynch's word for it he feels as able today as twenty years ago and certainly looks it.

In honor of the event Mr. J. G. Grant served a dinner in the dining room of the Wrangell Hotel at 5:30 that day to friends of Mr. Lynch. Plates were laid for twelve and those present were: Mr. E. P. Lynch, Chas. Borch, Jess Platter, H. Dannenberg, Jim Huston, Joe Kalchbrenner, J. G. Grant, Wm. Ryan, A. B. Pennycook, David Oliver, C. E. Burnett and Paul F. Stanhope.

The Sentinel joins with the rest of Mr. Lynch's many friends in wishing to see him pass many more of the mile stones of life.

RECIPE FOR GRAY HAIR.

To half pint of water add 1 oz. Bay Rum, a small box of Barbo Compound, and 1/4 oz. of glycerine. Apply to the hair twice a week until it becomes the desired shade. Any druggist can put this up or you can mix it at home at very little cost. Full directions for making and use come in each box of Barbo Compound. It will gradually darken streaked, faded gray hair, and removes dandruff. It is excellent for falling hair and will make hair soft and glossy. It will not color the scalp. Is not sticky or greasy, and does not rub off.

Hundreds Of Arrests For Drunkness In Seattle

The startling story of increased
drunkenness in "dry" Seattle is
told in the following item which
made its appearance in the Seattle
(Wash.) Post-Intelligencer:

Arrests for drunkenness for the
month of May totaled nearly 58
per cent of the number for that
offense during the preceding four
months the dry law has been in op-
eration, and those for violation of
the liquor ordinance exceeded any
single month since the first of the
year.

Four hundred and ninety-five per-
sons were booked at the police
station in the month of May charged
with intoxication. The num-
ber from January 1 to May 1 was 856.
January recorded 93 on drunkenn-
ess charges; February, 115;
March, 291; and April, 557. The
total number of arrests for May
was 1,094, the greatest number of
arrests since the dry law went in-
to effect.

Sixty-eight were arrested on the
charge of selling liquor, which is
41 per cent of the total for the first
four months of the year. January
ranks second in this regard with
52 arrests; February, 23; March,
16; April, 43; total 164.

Simultaneously with the above
there appeared the following ac-

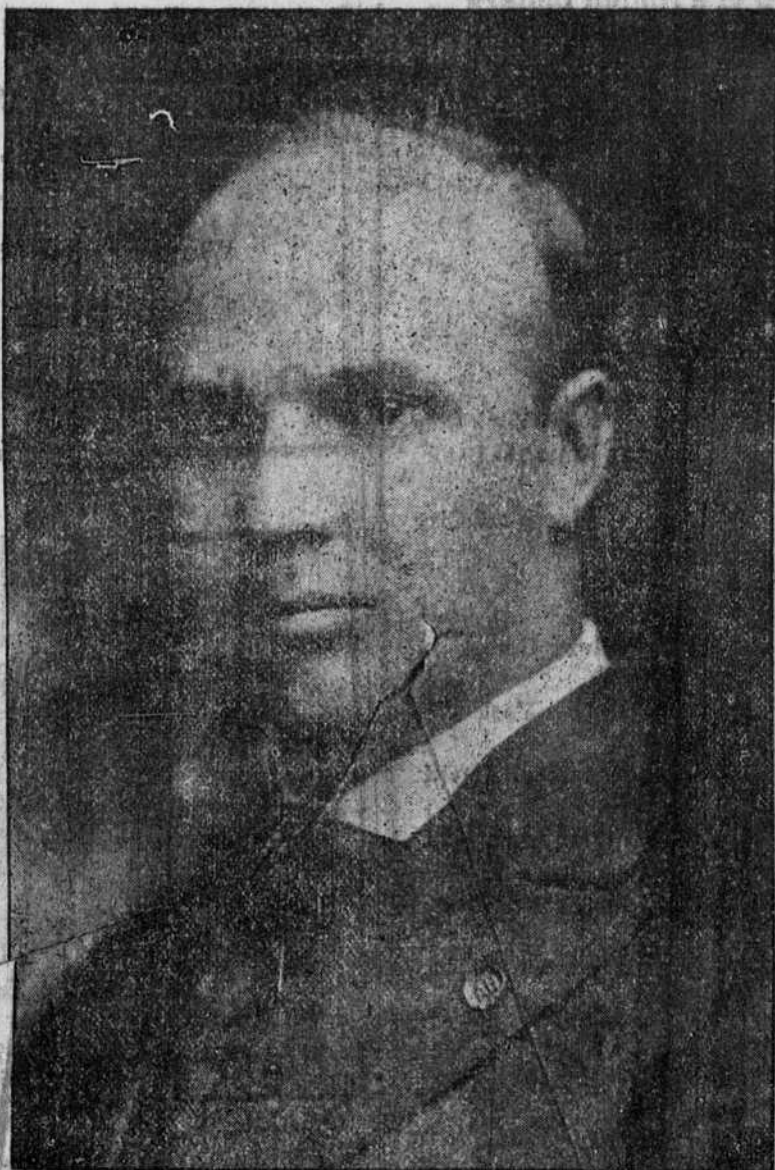

count of a gross blunder on the
part of the police in attempting to
enforce the prohibition law.

Five truckloads of select cham-
pagne and other wines and blended
whiskies, stored in the police sta-
tion since May 12, when the Char-
tier drug store on Second avenue
near University street, was raided
has been released and will again
grace the cool dark cellar of the
Hotel Savoy building. Judge Gor-
don on Thursday afternoon signed
an order for the return of the li-
quors. At the same time charges
of unlawfully having liquor in their
possession were dismissed against
J. C. Chartier, of the drug store
and W. G. King, manager and
part owner of the Hotel Savoy.

One of the rarest sights to be
seen in Seattle will be witnessed
by passersby on Second avenue
Friday morning when several heavy
loaded drays will drive up to the
curb in front of the Chartier drug
store in the Hotel Savoy building
and unload \$3,100 worth of liquor
on the sidewalk.

Judge Gordon dismissed the
charges against Mr. King and Mr.
Chartier and ordered the liquors
returned when it was shown in
court that the liquors had been
purchased prior to January 1st
and distributed only in the man-
ner prescribed by law. There was
no attempt on the part of the city
attorney to show that the liquor
had been unlawfully sold.
